# WASATCH SOFTWARE: "FIND I.T. HERE!"

## Why Wasatch Software?

### :: Focus on Customers

We are dedicated to efficient customer service, and to helping you find the right solution, not the most expensive one.

### :: Strong Background

We were founded by members of Microsoft's sales and licensing team in 2002.

### :: Knowledge

We undergo continuous training, allowing us to stay ahead of the changing technology landscape. Our trained experts are here to assist you with the correct solutions for your I.T. needs.

### :: Partnerships

We have achieved countless authorizations and certifications from leading technology firms, including Microsoft, Symantec, Adobe, VMware, Kaspersky Lab, Trend Micro, HP, Lenovo and more.

### :: Experience

We serve thousands of customers, including small businesses, corporations, schools, government agencies and non-profit organizations. We leverage this experience to assist you with your unique needs.

### :: Diverse Offerings

We offer more than 500,000 products from over 500 manufacturers. Products ship from over a dozen warehouses, allowing timely fulfillment throughout the United States.
